\$1 Billion Towards Completing The Great Commission!

May 25th was a great day for The National Christian Foundation and its affiliates: on that day we reached an amazing milestone made possible by the individuals, families, churches, ministries, and professional advisors we are privileged to serve. Together, we all granted our **one billionth dollar** to God's Kingdom work since NCF's inception in 1982. As a result, countless people have heard the Gospel, the hungry have been fed, the homeless have received shelter, the poor and needy have been cared for, pastors have been trained ... the list goes on and on.

While the Christian Legacy Foundation has only contributed a small amount to that total, our goal locally is to flow \$200 million to charity by the year 2015. NCF's goal is to flow \$1 billion *each year* to charity by the year 2015.

It is a great privilege to be associated with such an accomplishment. Obviously, to achieve this level of success, we must be doing something right! If you have not explored our innovative giving tools and solutions, we invite you to join us on this journey of generosity. Call us or visit our website today, and join us for the next \$1 billion.

Did you know you can give ...

Many people can't wait to retire. With excitement they plan, save, and look forward to the day when they no longer have to work and can just "take it easy. " They view retirement as a time for personal enjoyment and relaxation, and a time to do all of the things they always wanted to do. People with these goals most likely have believed some common myths regarding retirement ...

Consider Gifts of Gold To Your Favorite Ministries

Since gold and other precious metals have shot up considerably in value, they can be a great source to fund your charitable giving. The Christian Legacy Foundation, through our affiliation with The National Christian Foundation, has established several routes for receiving gifts of investment property in gold and other precious metals. If you have investments in gold or other precious metals, consider gifting them instead of selling and paying the tax associated with the gain.
