Meet Our Newest Board Member ...

John A. Grant Jr., Esq.

We are pleased to announce that attorney and former Senator John Grant has joined the board of directors at the Christian Legacy Foundation.

John first came to Tallahassee in 1965, where he worked in the Institute of Governmental Research at Florida State University. He holds bachelors and masters degrees in government and political science and a Juris Doctorate degree, as well as two honorary doctorates. First elected to the Florida House of Representatives in 1980 and then to the Florida Senate in 1986, he has served with six Florida governors through twenty-one years as a member of the Florida legislature, where he chaired seven standing and numerous select committees. He has also served on the faculties of The University of Tampa, Hillsborough Community College and the University of South Florida, teaching law, government and politics.

These days, John is a principal at Florida Capitol Advocates. Senator Grant has turned his vast experience and expertise in Florida Government into a valuable resource for businesses and organizations needing a lobbyist for assistance in dealing with the legislature and state agencies. John is a member of Idlewild Baptist Church and is active in several Christian organizations.

Please take a moment to say hello to John Grant and welcome him to our board!

Ministry Highlights ...

Transformations Project - San Jose, Costa Rica

My wife Tricia and I went on a missions trip to Costa Rica last year and one of the missionaries we visited with is Ronald Villalobos, who works with Christ for the City International. Under the name of the "Transformations Project", he ministers in the ghetto called Guarari, where children are frequently exploited due to the extreme poverty. We asked recently about the needs of the ministry and he replied they desperately want to start a feeding program for the children. The amounts needed are modest. If you are interested in reading more about the ministry and the amounts needed for the feeding program, please click the picture above or go to www.clfinc.org/web/28/transformations.asp

J.H. Jowett once said, 'The real measure of our wealth is how much we would be worth if we lost all our money.' He was right. Earthly riches or the lack of them has nothing to do with real wealth. The only treasure that matters is the treasure you lay up in heaven.

Jesus taught, '... lay up for yourselves treasures in heaven, where neither moth nor rust destroys ...'. That is a mandate, not a recommendation. Invest in eternity!

What an appropriate message for a culture like ours. People in our society are wealthier than any civilization in the history of man. Sadly, they rapidly squander their blessings on things that cannot last. If our treasure reveals the condition of our hearts (v. 21), this generation is in serious spiritual trouble.
